UX & UI Designer | User-Centered Design & Product Thinking

(651) 313 3262 - kyle2002vang@gmail.com - linkedin.com/in/kyle-vang-03bb38265/

EDUCATION

University of Wisconsin-Madison	August 2026
M.S Design & Innovation (GPA: 3.8)	
University of Wisconsin-Madison	May 2025
B.F.A Graphic Design (GPA: 3.7)	

EXPERIENCE

KVStudios UX & UI Freelance Designer Madison, WI	January 2023 – Present
- Designed user-centered wireframes and high-fidelity prototypes in Figma, improving usability and visual clarity across client projects - Conducted user research to identify pain points and translate insights into intuitive design solutions - Collaborated with clients to define product requirements and align UX decisions with business goals - Iterated on designs based on feedback and usability testing, improving overall user experience and interaction flow	
Cedar & Spice Standby Graphic Designer Madison, WI	September 2025 – June 2026
- Contributed to large-scale event design, including backdrop assets for Northwestern Mutual’s Affinity Summit - Supported development of brand assets across partner projects, ensuring consistency with visual identity - Collaborated in fast-paced environments to meet tight deadlines and evolving project needs	

PROJECTS

How Do We Love Madison, WI	June 2026 – August 2026
- Designed Cupid on Earth, a speculative concept reframing love as civic infrastructure across four connected systems - Built a full brand identity wordmark, color system, and an original character with a complete expression sheet - Structured open-ended research into a defined information architecture, then delivered wireframes, drafted content, and a fully clickable Figma prototype tested across desktop and mobile	
Imagin8tv Park UX Designer University of Wisconsin-Madison, WI	January 2025 – May 2026
- Led UX design for a housing-focused digital solution addressing user accessibility challenges - Defined content hierarchy and navigation through wireframing and prototyping - Presented design solutions at WEDA Conference and Gensler Chicago	
Accessible Housing Madison, WI	January 2025 – Present
- Redesigned website to improve accessibility and align UX with organizational goals - Developed wireframes and user flows to simplify navigation and improve clarity - Enhanced user experience by restructuring content and improving usability
